

Savannah River Site Paramilitary Services Contract
Special Notice – Industry Day, Community Day and One-on-One Sessions
August 14-15, 2017

The U.S. Department of Energy (DOE) Office of Environmental Management (EM) plans to hold an Industry Day and One-on-One sessions on August 14-15, 2017, in support of the upcoming procurement for paramilitary security services at the Savannah River Site (SRS). The current paramilitary security services contract at SRS expires on October 7, 2019, and is a major component of the overall SRS work scope and contracting structure. The goal of this Industry Day event is to inform interested parties of the process that will be followed to procure the paramilitary security services requirement, and to provide an overview of the draft Performance Work Statement. The Industry Day presentations will provide a site overview and technical discussion of the draft Performance Work Statement for the anticipated paramilitary security services contract, and encourage industry feedback to aid the Department in the development of the Acquisition Plan. Industry day presentations will be available on the procurement website not later than August 21, 2017.

The Industry Day will be held at the Doubletree Augusta Hilton Hotel on August 14, 2017, located at 2651 Perimeter Pkwy, Augusta, GA 30909. Check-in will begin at 8:00 am (local time) and the meeting will begin at 9:00 am (local time). The event is anticipated to conclude at approximately 12:00 pm (local time). There will also be a Community Day at the same location the following day August 15, 2017 with check in starting at 8:00 am (local time). This event is anticipated to conclude at 12:00 pm (local time) or sooner if no further discussions are required. Community Stakeholders will be allowed to provide input on the requirements and acquisition process.

DOE will hold one-on-one sessions for both the Industry Day and the Community Stakeholders day to obtain constructive input from interested firms regarding the paramilitary security services. The one-on-one sessions are provided as an opportunity for interested parties to present their thoughts and suggestions on the procurement, including but not limited to the questions included in the Request for Information (RFI). DOE will consider all input, will not attribute the input received to any other participant, and will protect any information identified as business sensitive. DOE is not requesting and will not accept any company marketing material. Any presentation materials shall be in hard copy, as computer equipment will not be provided nor allowed. Furthermore, no recording, copying or transcription devices will be allowed during the one-on-one sessions by attendees.

The one-on-one sessions will be held on August 14-15, 2017, at the Doubletree Augusta Hilton Hotel. The one-on-one sessions will be scheduled in 30 minute increments on a first come first serve basis.

As referenced above, DOE has published an RFI for this requirement. With release of this RFI, the DOE intends to seek ideas and acquire feedback from contractors and other interested parties regarding options for innovative approaches as well as insight into contracting options to achieve the Environmental Management (EM) and National Nuclear Security Administration

paramilitary security services expectations. Responses to the RFI are due to DOE by August 28, 2017.

Registration for the Industry Day, Community Stakeholders Day and the one-on-one sessions will close on August 8, 2017. Pre-registration is required and walk-ins will not be permitted. Registration is limited to five (5) representatives from each company attending the Industry Day and one-on-one sessions. However, if the total number requested to attend exceeds the capacity of the facility for the Industry Day, it may be necessary to further limit attendance of personnel from each company. DOE will reply via e-mail with a registration confirmation. All expenses associated with attendance are the responsibility of the participants.

All registration requests pertaining to this announcement should be directed to the procurement mailbox at SRSSecurity@emcbc.doe.gov. Registration requests for each individual shall include: name, company/organization represented, telephone number, and email address. For time sensitive questions, you may contact Mr. Jordan Rhoades, Contract Specialist, directly at 803-952-6419 or jordan.rhoades@srs.gov.

DOE personnel may contact firms responding to this announcement and/or the RFI to clarify a responder's capabilities and other matters as part of this market research process.

DOE looks forward to engaging with industry and other interested parties in a transparent and collaborative manner throughout the procurement process for the SRS paramilitary security services requirement.

Details concerning registration for both events are also available at the following website: <https://www.emcbc.doe.gov/SEB/SRSSecurity/>
